

Term 2 Week 9

Mark-making Mark-making

This week the babies have enjoyed mark-making using a variety of objects and materials such as sand, paint, crayons & play dough.

Joshua has enjoyed getting messy with the play dough and also helped to make it.

"We planned a variety of arrangements of materials and equipment that can be used with babies in a variety of ways to maintain interest and provide challenges."

Exploration & Investigation - Birth to 11 months.

We have also used the animals in the sand and we also used them to play in the play dough.

"We have created an n environment which invites responses from babies and adults, e.g. touching, feeling, smiling,

exploring, sharing and smelling. Language for Thinking - 8 to 20 months."

Harry and James have made a lovely pattern in the sand.

We have also enjoyed playing with the sand on the floor; we have had lots of fun making lots of patterns with different objects in different types of materials, e.g. flour and sand.

"We encourage babies to make marks in different types of materials; e.g. sand and flour with different objects."
EYFS Writing - 8 to 20 months."
